## CHILDREN'S HOME & CHRISTMAS GIFTS

Despite the pandemic and the constraints that came with it, you continued to support the work of God in reaching the unreached and caring for the oppressed in India, Nepal and Bhutan. Thank you we are grateful for your prayers, generosity in giving, and partnership in serving God in South Asia.

*As Paul says, "I thank my God every time I remember you. In all my prayers for you, I always pray with joy because of your partnership in spreading the Good News about Christ ... I have you in my heart and, whether I am in chains or defending and confirming the gospel, all of you share in God's grace with me ... And this is my prayer: that your love may abound more and more in knowledge and depth of insight, so that you may be able to discern what is best and may be pure and blameless for the day of Christ (Phil 1:3-6)*

**In this letter, we want to share with you** few pictures that highlight some of the ministries and projects that we did in the last 12 months. Without your support, none of this would have been possible. Thank you for your faithfulness to God and His work in South Asia!

## WHEELS FOR MISSIONARIES

A motorcycle given to a leader and a bicycle to an evangelist enables them to take the Gospel to multiple villages each day. It also ensures that they return safely back home by evening. A wheel increases the evangelistic effectiveness multiple times. Thank you for empowering these missionaries with wheels and other evangelistic tools.

## MEDICAL MINISTRY

In 2020, we served a large number of the poor, slum dwellers, children at risk, and those in remote villages. During the pandemic, our medical team continued to serve the poor and suffering with prayers and medicine.

*"You shall love your neighbour as yourself." Matt 22:39*

## RELIEF WORK DURING PANDEMIC

During the pandemic, IET missionaries were able to reach out to thousands of villages to share the Gospel both in word and deed. We gave food kits, hand sanitizers, and masks to tens of thousands of families. Thank you for being part of serving the poor and hungry in south Asia.

*"For I was hungry and you gave me food, I was thirsty and you gave me drink, I was a stranger and you welcomed me" Matt 25:35*

## EVANGELISM

Taking the Good news to the unreached tribes and villages in Nepal, Bhutan & India is the central focus of IET. Please continue to pray that your church planting brothers and sister will stay safe, be fruitful and remain faithful in the midst of persecution.

*“Go therefore and make disciples of all nations, baptizing them in the name of the Father and of the Son and of the Holy Spirit ” Matt 28:19*

## COMMUNITY DEVELOPMENT

An important part of our call is to also empower the underprivileged, enable justice to the oppressed and be merciful to the poor. We carried out several Christian justice ministries, including literacy projects, clean water initiative, helping the widows and much more.

*“And what does the LORD require of you but to do justice, and to love kindness, and to walk humbly with your God?” Micah 6:8*

## CHURCH BUILDING

When Gospel enters an unreached tribe or village for the first time and people begin to follow Jesus Christ, one of the critical needs is to build a basic, tin- roofed worship structure. This provides a sense of permanency allows daily bible studies and establishing a healthy congregation. Thank you for your partnership.
